

Grow Together: Worship Together

Life Steps | October 17 & 18, 2015

Day 1

Psalms 46:10

When you wake up today, read this verse. Keep it with you throughout the day, reciting it often. Practice the discipline of solitude, reflecting on this verse, while you are surrounded by people. Write about your experience.

Day 2

Acts 2: 46

This verse talks about how the early church formed their community. As you read this verse, think about the various communities that you are involved in. What is it that makes them authentic communities?

Day 3

Joshua 4:1-8

Read through this passage and reflect on how God has also been faithful in your life. What are things you do to remember the victories God has given you?

Day 4

Ephesians 4: 1-5

As you read through this passage, think about your faith community. What is it that makes the faith community unified? What practical things can you do to "keep the unity of the Spirit through the bonds of peace"?

Day 5

Psalms 1

Read through this entire Psalm today. Think about the different communities you are part of. Which of these groups bring out the best in you and challenge you? Which ones don't?

Day 6

1 Corinthians 12:12-13

Think about the diversity of your faith community. What is it that makes you unique? What are you currently doing to serve others using what makes you unique?

Day 7

Psalms 150

Before coming to worship with your faith community, read this Psalm and reflect on what you have learned this week about what it means to Worship Together.
