

Life Steps | May 23-24, 2015

Day 1

Romans 16

Read Romans 16 - and as Paul has made a list of those making a difference, make a list of the people who have made a difference in your life and faith.

Day 2

2 Timothy 1:3-7

Read 2 Timothy 1:3-7 - As Paul mentions the family tree influence of Lois and Eunice, reflect on your ancestors and how they have influenced your faith. Think through what needs to stay consistent and what might need to change from your family legacy.

Day 3

Joshua 3 & 4

God did a Big work to provide for his people and he called his people to set stones to remember him. As a family or in your own faith journey what can you set up as a reminder of God's faithfulness and provision in your daily lives.

Day 4

Hebrews 11

By faith and through obedience to God, people have done great things. Where have you seen your faith open the door for great things to happen?

Day 5

1 Corinthians 3

God uses us each in a different way at a different time for his purpose. Where do you see yourself playing a role to bless others? If this is difficult, where do you need to make a change?

Day 6

Numbers 11:14-17

Many of us naturally try to do everything on our own. Where do you see God calling you to better delegate and form a team around you so that we might be more effective in our faith?

Day 7

Ecclesiastes 3:1-15

This time of year brings about transition and change for many people and families. Which season are you celebrating in your life? Where is God changing things in your life?
