

Fight

Life Steps | August 8 & 9, 2015

1. Pray for our students and their families as they go back to school. Families are faced with distractions, busy-ness, and full schedules. We pray for families to fight for their faith as a priority.

2. Pray for our incoming 6th graders. They begin a new journey of the teenage years. Pray for their endurance and perseverance as they begin this new stage of life.

3. Pray for our class of 2015. These graduates enter into a new stage of adulthood with new responsibilities, life change, and a different rhythm of life. Pray for their devotion to faith and a close-following of Jesus.

4. Pray for the class of 2016. These seniors are entering their last year of a huge chapter of their lives. Pray they would finish well. Pray they would continue to follow Jesus through this last year as they transition from being a teen to being an adult.

5. Pray for our 7th and 8th graders. These Junior High students will face trials and temptations unlike any Jr. High student before. With new cultural influences and new changes in their lives, we ask that you would be praying for them to draw near to Jesus for their hope and identity.

6. Pray for our 9th-11th graders. These High School students have been engulfed by a secular world, backwards culture, and unrelenting pressure from impure sources. As they aim to fight for their faith, pray for their strength and witness as they enter dark places on a daily basis.

7. Pray for the parents of our teens. For the married parents, we ask that you pray for their marriages to be blessed and encouraged through the stresses of raising a teen. For single parents, we ask that you pray for a strength and joy that will empower and bless them in this season of raising a teenager.
