Ways to be Involved with Our Youth!

1. Join us in prayer for our students this year!
(see other side for prayer prompts)
2. Join us in serving! We have programs for students and children, from infant through college. We thrive on great servants, serving hands-on or behind the scenes.
3. Consider sponsoring a 5th Quarter game. We need food, servants, raffle prizes, and more to ensure we provide a safe, fun, and exciting environment after all home football games.
4. We aim to provide an opportunity for students to extend their education through the Pathway College Scholarship. This scholarship was started in Memory of Cathy Thompson who was a lifelong educator. We bless her memory through blessing students with scholarships each year. You can donate online or at The Welcome Center in The Crossing.
5. Open your home! Our students need extended families to invest in their lives. Host a small group, bake or cook, or have a student fun-night at the house.
6. Sponsor a camper. We have summer camps and retreats every season. We always have campers who cannot afford their registration fee.
Contact Josh@pathway.church to sponsor.
7. Join a small group! Yes, you are actually helping shape the lives of students by modeling the service and discipleship that takes place in small groups.
