

What God Has Joined Together
Enjoying and Honoring Marriage
Life Steps | January 30 & 31, 2016

Day 1

Romans 12:9-18

Take inventory of the way you have been showing honor. Be active in showing honor this week.

Day 2

Mark 8:34-37

Showing honor to marriage needs to start with reflection on your own soul. What is one thing you can do to follow Jesus more closely this week?

Day 3

Proverbs 17:22; Psalm 16

There is a time for laughter and enjoyment! Where can you encourage someone with laughter and enjoyment today?

Day 4

Song of Solomon 1:4

Every marriage needs backup singers and support to thrive. Whether you're married or single, how can you encourage a married couple you know today?

Day 5

Malachi 2:13-16

If you're married, discuss with your spouse one thing you can do to be a positive witness of God love through marriage. Single? Find a couple you respect and affirm their witness.

Day 6

Ephesians 1:18-23

As you re-frame your view of marriage. Consider the power of Christ living in you. How can you rely on Him to adjust your point of view?

Day 7

John 20:19-23

Prayerfully consider how you might participate in the marriage reset during Lent. Married or single, resetting our view of marriage unleashes our witness to God's love and grace.
