

# Holy Spirit : Our Teacher

## Life Steps | May 28 & 29, 2016

### Day 1

**Acts 3:1-10**

A gift of healing on an ordinary day. Why would Peter and John go to the temple despite being Jesus followers? Why was the lame man at the temple? Why did he not expect or seek healing? Where did he go after being healed?

### Day 2

**Acts 4:1-14**

A gift of teaching for unschooled men. Who seized Peter and John? How did fear motivate the arrest? How did faith motivate Peter and John's actions? Did their arrest reduce the work of the Holy Spirit among the people? Explain.

### Day 3

**Acts 4:23-31**

A gift of evangelism delivered in prayer. How did the believers start by humbling themselves before God? Offer adoration? Reflect his words to create an alignment of their wills? Finally seek God's gifts in a request? How did God respond? Have you prayed this way? Explain.

### Day 4

**Acts 6:1-15**

A gift of wisdom and knowledge displayed. Even at the beginning of the church there was dissension between what two parties? Describe the solution Peter and John proposed. How would Stephen have peace with "the face of an angel" in the midst of turmoil? Is this another type of gifting? Explain.

### Day 5

**Acts 7:59-8:8**

A gift of apostleship for the region. What instigated the scattering of Jesus followers? Who would Saul become? How was this persecution essential to the foundation of the church?

### Day 6

**Acts 8:9-25**

A gift of spiritual discernment among new believers. Why hadn't the Holy Spirit entered the new believers upon baptism? How was Simon's old life affecting his new belief? Why can't the power of the Holy Spirit be purchased? In what ways is your old life affecting your beliefs?

### Day 7

**Acts 9:1-31**

The gifts of faith and power for two believers. Why did Ananias question the Lord? Is it okay to question? Explain. How did both Ananias and Saul need the gifts of faith and power? How were these gifts demonstrated in actions?
