

Summer Psalms: Psalm 23

Life Steps | July 23 & 24, 2016

Day 1

Psalm 23:1

Reflect on your relationship with God. What metaphor could you use to depict that relationship? Rewrite this first verse by filling in "The Lord is my _____."

Day 2

Psalm 23:2

Think about where God has called you at this point of your life. Reflect on what it means to trust God with the small things and to pursue excellence in every task. As you go through the day, view each task as an opportunity to trust in God's calling on your life; even in the small things.

Day 3

Psalm 23:3

Today, focus not on the things that you want, but on the things that God has provided for you. Give thanks for how God provides for you daily. Take note of at least a few things that you normally take for granted.

Day 4

Deuteronomy 31:6

Where are the dark areas in your life? What do you currently fear? Today, speak verse 4 as you go through the day. Boldly claim the promise that God is with you always.

Day 5

Philippians 1:21

What does it mean to you to "live is Christ and to die is gain."? How can this impact your daily walk with Christ?

Day 6

Psalm 23:5

Think about the phrase "in the presence of my enemies." How do you respond when approached with aggression? Does this verse offer comfort in the midst of opposition?

Day 7

Psalm 23:6

Think about the impressions people have of you everyday. When people experience you, do they see a reflection of who Jesus is? As you get ready to come to worship, look for opportunities to allow others to experience God's goodness and mercy.
