

Stretched Thin: Holding on to Hope

Life Steps | October 1 & 2, 2016

Memory Verse "I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body I live by faith in the Son of God who loved me and gave his life for me."
- Galatians 2:20

Monday

1 Peter 1:3-16

Peter the perpetual mess up found his true identity as the rock on which Christ builds the church. As he reminds us of the hope of new life and new identities in Christ, where are you claiming a false identity? What should you be claiming?

Tuesday

1 Peter 3:8-22

It's not easy being stretched thin. It's not easy to stay devoted to God when you're stretched thin. What is Peter calling us to in this passage? Where is the hope?

Wednesday

Romans 5:6-11

We get caught up in boasting about the wrong things. At just the right time, God stepped in to save us! Where can you boast in His saving grace more?

Thursday

Hebrews 6:1-20

The author of Hebrews calls on us to grow into maturity in Christ. We have a firm foundation in the hope Christ gives us. As we see the certainty in God's promises, where have you seen God move in the past 6 weeks?

Friday

Romans 5:1-5

Where are you in the spectrum of Grace, faith, suffering, perseverance, character, and hope? How can you put your faith in action to recognize God's satisfying hope?

Saturday

Acts 2:7-41

As you read through Peter's first sermon, think through the restoration God provides even before the meltdown point in your life. Ask God to restore you and use you even as you're stretched thin.

Sunday

Matthew 10:26-33

Part of being restored means recognizing your worth. Release your fears daily to him and consider your worth to God and only God. Do you believe He knows you and values you like He believes?
