

LET IT GO

Saturday, April 1st | John 6:1-15

If you've spent any amount of time in church, you have probably heard this story. While there is so much great truth to pull from this passage, let's take a moment to focus on something that doesn't get discussed very often. The boy with the 5 loaves and two fish. There is a lot of significance surrounding the boy and his small amount of food. He had to be willing to give it up, and he had to have faith that Jesus knew what he was doing. From his perspective, he didn't know what was going to happen. He knew that he was giving up food that was for him and his family, not knowing if they would have anything to eat. It's so easy to hold on to what we have because we need it. To let go of our possessions, our time, or our resources can be a very scary thing. Many of us today are living paycheck to paycheck. We have families to provide for. We have bills to pay. We have commitments that require our time and our resources. But, God is asking us to put some faith in him, so he can show us a miracle that will bless our lives as well as others.

I would like to encourage anyone reading this, to take a moment to think about where you prioritize your time and resources. Actively seek out a way to put some faith in Jesus, the miracle worker, and see what he can do. This will look different for everyone. So, I encourage you to use this prayer and spend some time listening, and for the next week, keep your eyes and ears open for an opportunity to trust God with what you have, and see what He can do.

Prayer: Help me to find new ways to put my trust in you. Keep my eyes open to see where I can give in faith to let it go, and to let you do what you do best.
