

I Want To Know What Love Is: God Loves Me

Life Steps | September 16 & 17, 2017

Monday

Ephesians 3:14-20

God loves you, period! Are you able to receive God's love? Think about God's love; what makes God's love difficult to receive? How does receiving God's love for you change your life every day?

Tuesday

Romans 8:14-17

When you think about your identity, what do you think about? Job? Title? Family position? Do you realize that you are a Child of God? What does it mean for you to be a Child of God?

Wednesday

Matthew 6:25-34

Worry is one of the major obstacles of faith. God wants to take care of you. Do you trust God to care for you? Why or why not?

Thursday

James 4:7-12

God desires a deep relationship with us. A deep relationship with God does not come automatically; it takes spiritual work. What "spiritual work" does James talk about in these verses? Is there an unhealthy relationship you have with another person that keeps you from a deep relationship with God?

Friday

Psalms 73

The writer has been through a lot but is able to talk about how God has been there in the middle of the pain. What struggles do you face today? Where do you see God working in your life?

Saturday

Genesis 39

Joseph is sold by his own brothers as a slave. He is not having a good day, but his bad day gets worse when he is thrown in jail. Ever feel like you're going through a series of bad days that just seem to get worse? How does Joseph handle it? What is his response to God? How do you handle those bad days? What is your response to God?

Sunday

Ephesians 3:17-19

What have you learned about God's love for you this week? How has it changed your attitude towards God? How do you see yourself?
