

OUTREACH WEEKEND: Be the Church

Life Steps | October 28 & 29, 2017

Monday

Psalm 127:1

How often do you make a change or take on something new in life, such as a job, house, car, kid's sports team, or a volunteer assignment, without God's input? If you haven't given it much thought, today is a good day to start...set aside some time to reflect on how you can let the Lord be the builder and the watchman over your life.

Tuesday

Galatians 6:9

Life these days is exhausting. We are always pulled in so many different directions whether it be by our families, work, sports or even our church. But where does God want us to BE? What is your spiritual gift and how can it be used to serve others? Take some time to think about how you can serve whether it is by prayers, mission work, financial donation, etc.

Wednesday

1 John 4:12

God calls us to love each other. What better way to show someone you love them than by giving of your time, talents or resources to help someone in need? How can you start sharing God's love with someone else?

Thursday

Thessalonians 5:11

Jesus quite clearly instructs us that one of God's most important commandments is to love our neighbor. If you had the opportunity to play a part in improving the life of one of your neighbors, would you take it? Begin to ask God to make his way clear to you.

Friday

Hebrews 13:1-2

If today you were to pass someone on the street who appears to have a need, how would you engage with them? Are you ready to show them who Jesus is in your life? Will you act upon what God is asking you to do?

Saturday

Matthew 25:35-40

In America it feels like there is plenty of food to go around. The reality is 1 in 6 households struggle with having enough food for the number of people in the home. How can you serve the 1 in 6 household here in your backyard?

Sunday

Matthew 22:37-39

The Great Commandment says "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And a second is like it: You shall love your neighbor as yourself." What does it mean to love with all you heart, soul and mind? If your view of the world changed to see people through Jesus' lenses, what would you do differently?
