

Let It Shine: Overcoming Insecurity

Life Steps | December 9 & 10, 2017

Monday

Psalm 63 & Matthew 2:1-2

Look up. The Magi were looking for a star, a God sighting. Have you taken the time to look for a God sighting? What are you seeing? Use Psalm 63 as a part of your prayers today.

Tuesday

Matthew 2:9-10 & Matthew 7:7-8

Seek and Find. What have you been spiritually searching for in your life? How have you taken steps to find it?

Wednesday

Psalm 100 & Matthew 2:9-12

Worship Him. Can you remember the first time you heard about Jesus? What happened? How do you worship Jesus today? Why is worship important to you? Or, why do you think worship is not that important to you? Use Psalm 100 as a part of your prayers today.

Thursday

Matthew 3:14-16 & John 1:1-15

Light overcomes. Even John recognized Jesus as the Light of the World. How does Jesus shine the light through your church and you? Who in the world, your community, and your life circles needs more light?

Friday

Psalm 139:1-12

God Sees Your Light. Name the dark places in your life. Where do you need God to shine more light in your life?

Saturday

Isaiah 60:15-22

God is Eternal Life and Light. Do you believe that God is able to bring light to the whole world? What keeps you from believing? What increases your belief?

Sunday

Philippians 2:12-18

Carry the Light. What does carrying the light look like in the Philippians passage? What are the obstacles that keep you from shining like stars? Pray for our musicians and vocalists, that God will use them at the Christmas Concert tonight, December 10, 6 PM, to shine like stars.
