Wednesday

Psalms 91

Mark any words or phrases that are meaningful to you and put a question mark by anything you don't understand. What is the dominant word picture of God in this psalm? In verse 1, the amplified bible says “will remain stable” instead of “will rest.” Where do you need stability in your life so you can be more at rest?

Thursday

What do you most need from God in your life? Using a concordance or your Bible app, do a word search and underline the passages that most speak to you in your area of need. Write out two or three of the passages that strike you most in your journal.

Friday

Psalms 46

Verse 10 says to “Be Still”. Slowly read Psalm 46 again reflecting upon who God is then sit in silence for 10 to 15 minutes being aware of God's presence. Record any insights revealed in your journal.

Saturday

John 15:1-11

What needs to happen for a plant to produce fruit? Using the vine and fruit metaphor, what needs to happen in you for your life to bear fruit? What is produced in the person who seeks, abides in, remains in Jesus? See verse 11, where do you need joy in your life? What is the difference between joy and happiness?

Sunday

Psalms 27

If God had written this Psalm just for you, what words and phrases would He have underlined? Why? Write out all of the requests David makes of the Lord. Which would you put at the top of your list today? Why? What does it mean for you to “wait for the Lord?”
