

Seven: Finished

Life Steps | March 17 & 18, 2018

Monday

Mark 8:31-38

When circumstances threaten the road ahead and life gets hard, how do you cope? Are you a controller or an avoider? Pray and journal, telling God how you want to trust in every life circumstance so you might experience the resurrection even in the darkest time.

Tuesday

Luke 18:31-34

Describe a time you set a goal that went way beyond your proven abilities. Were you tempted to quit? Elaborate. Have you ever experienced the confident joy of finishing well even when circumstances were daunting? Journal your experience and lessons learned.

Wednesday

Isaiah 53

Write about a time that someone's death made a profound impact upon your life. What would you say to God about using each and every day to honor God and invite others into faith?

Thursday

Exodus 12:1-12

Describe the last time the unusual (Vs. 7) took you out of your normal routine. Has God shown up outside your ordinary? How might you alter or sacrifice (Vs. 11) from your normal routine in order to experience more of God?

Friday

Philippians 1:3-11

Have you ever felt incomplete (Vs. 6), or like you'd appreciate a life update or makeover? Let Jesus in on that conversation. What are you willing to demo so God can do the work of healing and repair?

Saturday

John 17:1-5; 19:28-30 & 2 Timothy 4:6-8

Are you a good finisher or do you need extra strength to complete your best work? As you examine what it means to be a true Jesus Follower, ask God to increase your capacity and capability for finishing well.

Sunday

Luke 23:46

Ask yourself, "Am I able to say with my whole heart and total sincerity, "Father, into your hands I commit my spirit.?" Next time you feel like quitting, whatever the circumstance or issue, what will you do to keep pursuing God's plan for your life?
