Tuesday

Isaiah 41:1-16

In general, what are the fears that most keep you from moving forward in life? Which do you fear more, failure or success? Explain why and the consequences of allowing that fear to control you. What does God say about fear in his passage?

Wednesday

Romans 12:1-2 & Philippians 4:4-9

Our thoughts shape our actions. What is some of the stinking thinking from your family tree that you would like to prune? What are you reading and studying that is shaping your mind for God's "next" in your life? How are you challenged by the Philippians passage?

Thursday

Hebrews 12:1-3

Where are you sensing God is challenging you to "Step Up?" What do you need to throw off so you can meet the challenge? What leadership lessons stand out when you consider the "opposition from sinners" Jesus endured?

Friday

Jesus is the focus of our faith. Think about your life, what gets most of your attention and focus? Where does Jesus truly rank in your life priorities? How do your priorities need to change?

God is love. We love God. How do you need to "Step Up" so you are sharing this message with your family? Neighbors? Co-workers? How are you passing on your faith to the next Generation of Jesus followers?
