

## 2 Timothy: The Prepared Life

### Life Steps | August 18 & 19, 2018

#### Monday

#### 2 Timothy 4:1-5 | Deuteronomy 30:19-20

Imagine you are passing on your leadership baton to someone in the next generation of your life circle. Use Moses' and Paul's charges in these passages to guide you in writing your own charge to this person or persons.

#### Tuesday

#### 2 Timothy 2:2 | Proverbs 6:6-11

When it comes to preparation, where in your life are you more like the ant and where are you more like the sluggard? What has been the impact of your preparation? What has been the impact of your ill preparation? Pray asking God to reveal needed action steps.

#### Wednesday

#### Romans 13:11-14

Preparation is not only what we need to start doing, but what we need to stop doing. Perform a fearless inventory of your life. What do you need to stop doing so you can be more consistent and trusted by others? Who are you going to ask to hold you accountable?

#### Thursday

#### Luke 14:31-35

When we create sacred space to spend time with God, we are nourished in body, mind and soul. What are your excuses for not living the prepared life? See your notes as needed.

#### Friday

#### Proverbs 16:1-3

What is your primary "God take away" from these 3 verses? Why? Pick one area, relationship with God, family matters, profession. Begin to identify the 6 goals (6x6) you are going to commit to the Lord over the next 6 weeks.

#### Saturday

#### Colossians 1:29-3:3

Begin to develop an action plan for each of your goals so like Paul, you can "strenuously contend" with all of the energy of Christ in you to achieve your 6x6 goals. Share your goals and plan with someone who will hold you accountable.

#### Sunday

#### 2 Timothy 2:1-5

Review all of your message notes from last weekend. What is your primary take away? What else in this passage challenges you? Why?
