Monday Psalm 78:1-8

From the time God established His covenant with Israel, the charged parents to teach their children the ways of the faith. Verse 5 declares what we should teach, verses 6-8 describe why and verse 4 describes how. In what specific ways are you equipping the next generation to be fold followers of Jesus?

Tuesday Psalm 71:1-18

How does the Psalmist describe God? What is the writer asking of God? How would you describe the Psalmists relationship with God? What did God say to you in this passage that you would like for the next generation to understand?

Wednesday Psalm 127

Make a list of the ways you can ensure the spiritual foundation of your family and home are solid. What happens when you release arrows that are not straight? According to Proverbs 22:6, what is the result of training your children in Godly behaviors? Pray for your children.

Thursday Deuteronomy 6:1-9

Who most influenced your faith for good or ill in your childhood? What does verse 7 say about how and when to talk to our children and grandchildren about faith in God? Begin to create or evaluate your strategy for talking about faith matters with your children and grandchildren.

Friday I John 2:12-14

How do you remind yourself what God has done for you? How do you measure where you are in your Spiritual Development? How do you think you can tell that your children, young and old are growing in their walk with Jesus? Pray for your children.

Saturday John 15:4-7

In your journal, list the fun and frustrating things about being a parent. Read Galatians 5:22-23. Which of these fruits do you see the most visible and absent in your children? Why do you think that is? What will you do to help your children/grandchildren become more attached to the vine? Pray for God to lead you.

Sunday Colossians 1:17

Repeat out loud several times from memory. In what way has your view of your role as the primary faith influencer of your children changed since we started the My Crazy Family series? If any, how does the verse give you hope?
