

## Now Connected: Cultivating Gratitude

- The Apostle Paul began most of his letters with a prayer of gratitude for those to whom he was writing. His audience was people he had met on his travels and with whom he had shared the Good News about Jesus.
- Read each passage, noticing and journaling the reason or hope of any “so that” or “that.”
- Read the Lenten Prayer of the day. You can access it on Facebook, Instagram, and [pathway.church](http://pathway.church).
- Each day, choose someone or some organization for which you are grateful. Using your message notes and verbiage from the passage of the day, write out your own prayer of gratitude giving careful thought to the use of “so that.”
