

# Colossians: ReThink | Becoming Who You Already Are

## Monday

**Colossians 1:19,25;2:9-10 | Ephesians 1:15-23**

Considering the Ephesians passage, rethink what “fullness in Christ” means to you? What holds you back from experiencing God's fullness?

## Tuesday

**Colossians 2:2-3 | 1 Timothy 6:20-21**

Gnosticism includes the belief that “fullness” is found in a secret knowledge contained in mystical religious experiences and throughout the cosmos. Where are you tempted to search for fullness other than in Jesus?

## Wednesday

**Colossians 2:16-23 | I Corinthians 10:23-11:1**

Gnostics also taught the concept of dualism, the body is evil and the spirit is good. How have you embraced dualism in your own life? What false ideas or manmade rules have you bought into regarding how to live the “full” Christian life? How will you begin to exercise your “full” freedom found in Christ?

## Thursday

**Ephesians 4:11-16**

Paul implies in verse 13 that “fullness” in Christ and maturity are very similar. According to this passage what are some of the traits of a mature Christian and a mature Church family? Where do you need to mature? Pray for the maturation of your Pathway family as you are led.

## Friday

**John 1:14-18**

In what way is Jesus “full” of grace and truth? What does John mean when he says we have received grace upon grace? Are you more of a grace giver or a truth teller? Explain. How and where do you need to grow in being both a grace giver and a truth teller?

## Saturday

**Romans 13:8-10**

1 John 4:16 says God is love. Verse 10 uses a form of the Greek Word for “fullness”, pléróma. Thinking about your upcoming day and tomorrow, what would it look like for people to experience in you the “fullness” of God's love?

## Sunday

**Colossians 2:6-23**

Review your message notes as needed. What have been your most significant learnings from our study of these verses? What are your top two life applications? What are your action steps?
