

Seek God and Live!

January 4 & 5, 2020

Monday

Amos 5:4

Reflecting on your Christmas holiday, what did you do that helped others experience God through the celebration of Jesus' birth? Brainstorm what you can do to continue spreading the Good News about Jesus and help others seek God and live in 2020.

Tuesday

Philippians 4:8

When reading this verse, we may think of lovely things that we wish for but do not have. The church at Philippi is being instructed to search inside themselves to find the truth they know through Jesus. Write down the ways Jesus has changed your life, give thanks, seek God and live!

Wednesday

Psalms 16

"You are my God, I have no good apart from you." Remind your heart, body and soul, everything about you that is good comes from Jesus living in you and through you. Change the words in this psalm to mirror your life. In this new year, how will you stay true to rejoicing and praising God for life through Jesus?

Thursday

Matthew 6:25-34

What does Jesus tell us that helps guide our daily lives? Name a specific obstacle that you struggle with and is difficult to overcome? How have you tried to resolve this issue in the past? What new path does Jesus have in store for you in 2020?

Friday

Matthew 6:25-34

Examine your daily Bible reading discipline. How can it improve? Ask God for help in what you need to be successful this year. Space? Time? Schedule? Audio version of the Bible? Keep trying and discover life through the scriptures.

Saturday

Acts 2:43-47

How did these first Jesus followers live their lives? They were part of a community, doing life together, lifting each other up - reminding each other of God's incredible love! We are a church of small groups. Are you a part of a small group or Bible study? If not, sign up today at *Pathway church*.

Sunday

Acts 3:1-10

While Peter and John did not have silver or gold to offer this man, they offered him personal healing through Jesus. Are you looking for healing? Pathway has support groups led by people who have succeeded in overcoming hardship in divorce, grief, finances, communications, and men's and women's groups. All groups are designed to help you seek God and experience a better Life! Check out the support groups starting next week!
