

Stronger: In Discipline

February 1 & 2, 2020

Monday

Titus 1:5-8

Paul is laying out the do's and don'ts qualifications of someone who is considered to be a Christian leader. Discipline is the last characteristic. Review the qualifications again, note the area where you need more discipline.

Tuesday

Galatians 5:13-25

The last named fruit of the spirit is self-control, or self-discipline. Where in your life are you most lacking discipline? Why? Write out a prayer to God, asking for "Holy Spirit" help.

Wednesday

Proverbs 4:13 | 13:18

Discipline is doing the right thing even when you don't feel like it. Review your message notes. Considering where you most need discipline, which of the getting stronger in discipline practices do you most need to "hold onto?" Why?

Thursday

2 Timothy 1:6-8

What do you think Paul means by "fan into flame the gift of God?" Are you more "timid" or strong when it comes to facing the areas of your life where you need more discipline? Why?

Friday

Matthew 4:1-11

What are the temptations that undermine your faithfulness to God's plan and desires for your married life? Parenting life? Single life? Work life? What disciplines will you implement, restore and strengthen to get stronger accordingly?

Saturday

John 10:1-10

What is your vision of the abundant or "full" life God has in mind for you? What are the voices and thieves that "seek to steal, kill and destroy" that which God wants for you? How and where do you need to get stronger in discipline so you can fully live the life God wants for you?

Sunday

Psalms 34

In this season of your life, which of these verses most stand out to you? Why? Write out your prayer to God.
