

# Uncharted Water: Unexpected Storms

## Monday

**Luke 8:22-25**

We are three weeks into having our lifestyle impacted by Covid – 19. What is your assessment of how well your household and extended family is coping with this unexpected storm? How has the presence of Jesus in your “boat” impacted your experience?

## Tuesday

**Mark 4:35-40**

The disciples responded to the storm by waking up Jesus. What is the difference between reacting and responding? How have you reacted and how are you responding to your current unexpected storm? Do you prefer the harbor or open water life? Explain.

## Wednesday

**Luke 8:26-38**

Why do you think the healed man wanted to go with Jesus? Why wouldn't Jesus let him? Reflect upon the possible faith adventures God might have in store for you after and as a result of your unexpected storm. Journal your reflections.

## Thursday

**Matthew 6:25-34**

SOS - **Surrender, Own, Steer**: What are you currently most worried and fearful about? How does this passage give you hope? Write out a prayer, surrendering your worries and fears to God.

## Friday

**I Peter 5:5b-11**

SOS - **Surrender, Own, Steer**: Humility includes owning your own brokenness and wounds. Reflect upon how and where you have been blaming others or circumstances for your current unexpected storm. What would it look like for you to own it?

## Saturday

**Jeremiah 29:1-14**

SOS - **Surrender, Own, Steer**: Be still and listen for God's voice. Begin to listen for God's next for your life. Considering your spiritual gifts, your thus far Covid – 19 experiences and what is breaking your heart, where do you think God might be steering you?

## Sunday

**Psalms 27**

Use Psalm 27 as your morning prayer guide.
