

Uncharted Water: Chair Time

Monday

Genesis 6

Noah was described as being blameless among the people of his time and that he walked faithfully with God. (Vs. 9) How would you currently describe yourself? Ten years from now how do you want others to describe how you navigated these Covid-19 historic times?

Tuesday

Genesis 7

The flood described in Genesis 7 was a global catastrophic event. What most breaks your heart in our current global crisis? Pray, seeking God's guidance on how you are to serve others as we continue through Uncharted Water. Journal any action steps or God nudges.

Wednesday

Genesis 8

The first thing Noah did after landing and exiting the Ark (Vs. 20) was to build an altar to the Lord. He worshipped and presented a sacrificial thanks offering to God. When we emerge from the worst of Covid-19, what are the first things you are going to do? Why?
