Love Playlist: All You Need it LOVE

Monday

Colossians 3:14

Read Colossians 3:14. In Colossians, Paul reiterates love is what binds us in harmony. We have a responsibility to 'put on love' for others and God. List 3-5 people you have experienced the love of God through. Can you imagine your life without them sharing God's love with you? Now list 3-5 people God is calling you to share the love and grace of Jesus with.

Tuesday

John 3:16

Love is a theme that occurs throughout the entirety of scripture. As you read John 3:16, what appeals to you most about the love of God? Throughout scripture, what has surprised you about the love of God? Through your life, how have you extended the love of God into the people around you?

Wednesday

1 John: 19

1 John 4:19 gives us a great formula on when we should love. God's love has already been freely given and so it is important to share God's love with the world. Look back on the last 5 texts, emails, and social media posts. Did you make the most of the opportunity you had to share the love of Jesus with others?

Thursday

1 Corinthians 13:11

Read 1 Corinthians 13:11. We all have ways we can put to an end so we can fully grasp God's great love. What is one practice that you can start so you can share God's love with others? It could even be serving or joining a small group.

Friday

1 Peter 4:8

Love covers a multitude of sins. Love covered a multitude of sins on the cross 2000 years ago and today allows us to be connected for all eternity. Is there something in your life, mind, or heart that keeps you from truly receiving the love of God? Write it down and work on letting it go.

Saturday

Luke 9:23

Love is a purpose instilled in all of us. It does not define what we do, but it is the standard on how we do everything. List ways you can practice love with someone that is hard to love, someone easy to love, and people who are different than you. It can be a specific person or a group of people.

Sunday

1 Corinthians 13

Read Chapter 13. We are often shaped by what we allow to shape us. It is important to not only practice but also meditate daily on what it means to be loving. The more we think a thought the more likely it is to become part of us. Journal who you want to be, not what you want to be. Write down what you hope people see when they see you. Allow yourself to receive the love of God daily so you never get tired of sharing the love and grace of Jesus.
