Monday

Deuteronomy 30:11-20

Reflect: According to Moses, what are the consequences of not choosing to make following the ways of God your ultimate value? What are the consequences of making that choice? What was your primary takeaway from the weekend message?

Prayer: Lord God, help me to grasp what it means to follow you with my whole life.

Tuesday

Joshua 24:14-21

Reflect: Describe an important recent faith decision you made? What were the circumstances that drove you to realize a decision had to be made? What has happened since your decision?

Prayer: Lord God, help me make decisions that respect others and bring you glory.

Wednesday

Joel 3:1-3, 12-16

Reflect: What human conduct results in God's judgment? Why will God be a refuge to his people? How has God been your refuge?

Prayer: Lord God, forgive my foolish ways and lead me in the way everlasting.

Thursday

Proverbs 4:26-27

Reflect: As you review your past decisions regarding following Jesus, what practices have increased your awareness of God's presence, will, and direction for your life? What actions have hindered you from being aware of God's presence?

Prayer: Lord God, help me to seek your will in my thoughts, decision-making, and conduct.

Friday

Jeremiah 29:11-13

Reflect: What can you do to better hear God's voice in your life, in your daily scripture time scriptures, and your daily prayer life?

Prayer: Lord God, thank you for caring enough to speak into my life.

Saturday

Matthew 6: 24

Reflect: If someone had been observing you up close and personal the past 8 weeks, what might they conclude is your ultimate value? How would you describe your relationship with God?

Prayer: Lord God, I want to be near you, all of the time.

Sunday
