

Small Group Conversation Guide

“Back to Basics”

Week 4

Message: Be faithful

Main Idea: Everyone of us is faithful. It’s more of a question of who/what we are faithful to.

Connect: Share with the group an action or behavior you have observed from someone else that helped communicate their faithfulness.

Prayer –

Scripture Reading: Philippians 3:7-14

Discussion

1. What was your primary takeaway from the weekend message?
2. So much of the Roman Empire placed a high value on personal success, personal leverage, and personal mobility. In what ways do you see similarities between their culture and ours today?
3. In Philippians 3:7-8, Paul talks about his previous life and its advantages, and then calls it garbage compared to his new life in Christ. In a specific way, share with the group one place in your life that you used to value that has now diminished as you’ve grown closer to Christ.
4. Can you remember a time when you experienced challenges or obstacles because of your faithfulness to God’s calling on your life? Share with the group what these obstacles taught you.
5. We visited briefly this weekend about understanding your calling and living it out daily. In the simplest terms, how would you describe your calling?
6. For accountability, share with the group what your plan is this week to intentionally live out your calling every day. Be as specific as you can regarding how your behavior will point to your calling.

Prayer: Invite everyone to share prayer requests, and close your time by praying for one another.
